

Hourless and Omar Khayyam Clash To-day in Big Race at Laurel

Rival Stars of Turf Ready for Long Struggle

Entries of Belmont and Veau to Carry 126 Pounds One and Quarter Miles

LAUREL, Md., Oct. 17.—Two of the greatest three-year-old horses in this country, Omar Khayyam and Hourless, are on edge for their match race over the one and one-quarter mile route which features the card of the Maryland Jockey Club over the Laurel race track here to-morrow afternoon. Both horses had short workouts this afternoon, moving along with great speed and ease.

The owners of the two thoroughbreds, Wilfred Vau, of Canada, and August Belmont, have both agreed to turn over the purse of \$10,000 to Red Cross funds. In addition to the rich prize, the winning owner will be presented with a cup.

An added stake will also be added to the purse of \$10,000, the property of Daniel J. Leary, and it is expected that the Sunlight-Nephthalin oil will cut out the purse during the race.

Consistent betting is going on here among sportsmen, with many favoring the chances of Hourless to turn the tables on Omar Khayyam for the latter's victory in the Lawrence Real Estate Stakes at Belmont Park in September. In this meeting Hourless, who is poorly and forced to go wide the greater part of the distance, lost considerable ground. However, Hourless showed his gameness by coming down the stretch with blinding speed and all but catching Omar Khayyam at the wire. The latter was declared the winner by a nose.

Each horse will carry 126 pounds, as they did in their previous meeting, which was over a distance of one and a half miles. This distance was covered in 2:23.2-5, which was only 11-5 seconds behind the record. Happy Buxton will ride Omar Khayyam, while Buxton will attempt to retrieve his last honors on Hourless.

Columbia Team In Secret Drill

The Columbia eleven dug into practice to real earnestness yesterday with a secret drill that lasted after dark on South Field. Searchlights from the nearby buildings furnished the necessary light. Coach Metcalf, who directed the team, found that his charges needed considerable extra work for the game with Union on Saturday, and had them working out at 10 p.m.

Heart trouble again hit the Varsity squad. It was announced that Angus McCabe, substitute quarterback and running player, would not play this week. McCabe was on the field in uniform, however, assisting in freshman coaching.

St. Nicholas Rink Will Reopen Next Saturday

The St. Nicholas Ice Rink will reopen for the season Saturday with decorations, new freezing plant and a new architect. Cornelius Fellows, the manager, has had the big building almost completely done over and is now in the final stages of the work.

Some of the best known professional skaters in the world have been secured as figures in the skating.

New District for A. A. U.

After several years of fighting, the clubs in the districts surrounding New York City have finally agreed to the formation of a new district of the Amateur Athletic Union. Their wish has been granted, after a long battle from the board of governors of the union. The final action will not be taken until the annual meeting of the A. A. U., at St. Louis, on Monday, November 10.
